Dear Mohamed

Archery Sessions

I am writing to thank you for taking the time to come into the College to deliver your archery session. The students also wanted to express their thanks. They all really enjoyed your sessions.

Your professionalism and rapport with the students was outstanding which made the session fun, educational and interesting at the same time. We always strive to show the students different ways of being active and your session certainly helped us to do this.

We look forward to working with you further in the future.

Yours sincerely
